Synopsis

Aoi has dropped out from high school and gives birth to a baby son with Masaya. They are born and live in Okinawa, a Southern island of Japan. To make ends meet, she starts working as a night-club hostess as Masaya loses his job and cannot deal with the family's responsibilities. Their immaturity and dependence aggravate the relationship with continuous fights leading to a social downfall. Aoi's bond for her son sets her on a path to find solutions.
